Planning for College

What you need to know about the college admission process
Simplify the College Planning Process

College opportunities exist for everyone. These steps can help simplify the planning process:

1. Explore college options
2. Understand admission factors – You must READ and pay attention to deadlines
3. Develop a financial plan
Explore College Options
What to Consider

- Size and diversity of student body
- Location
- Academic programs
- Campus life — athletics, activities, housing
- Graduation and retention rates
- Financial aid and scholarship opportunities

Above all, think about where you will be the most happy and successful in your college life.
Which colleges are right for you?

**Big Future**
Visit Campuses

Get to know a school from the inside:

- Take a campus tour.
- Speak with an admission counselor.
- Ask about financial aid opportunities.
- Sit in on a class of interest.
- Read the student newspaper.
- Talk to students and faculty.
Understand Admission Factors
What Colleges Consider

• Primary Factors
  - Quality/Rigor of Academic Courses
  - Academic Performance/Grades
  - Test Scores (SAT, ACT, ACCUPLACER etc.)

• Additional Factors
  - Extracurricular Activities
  - Essay(s)
  - Letters of Recommendation
  - Demonstrated Interest
Grades & Course Work - College Readiness

Your high school academic record is one of the most important factors in college admission. Colleges will look at a few aspects:

- **Course selection**: Challenge yourself with a rigorous course load and high-level classes, including honors courses.
- **Grades**: Every year counts, starting with freshman year.
- **GPA trends**: Keep improving through every grade.
- **Class rank**
  - Avoid senioritis!
Other Considerations

• Positive recommendations from educators and mentors
• Personal statement and essay(s) demonstrating writing ability and self-expression
• A “demonstrated interest” that shows your enthusiasm for the colleges to which you’re applying
• Extracurricular activities, including participation and leadership in sports, performing/visual arts, volunteering, etc.
• Community involvement, part-time work or internship
• Interview or portfolio (if applicable)
# Standardized Testing Options

Getting Ready for Standardized Testing

• Select challenging high school courses.

• Read widely and write extensively, both in and out of school.

• Take the PSAT/NMSQT® as a sophomore or junior.

• Become familiar with SAT and ACT question types, format, directions and test taking strategies.

• Take advantage of free resources at sat.collegeboard.org or actstudent.org

• Khan Academy
How do I register for standardized testing?

- SAT registration
- ACT registration
Get Organized and Apply

• Narrow and categorize your choices:
  - “More than likely” schools (1 or 2)
  - “Good match” schools (2 to 4)
  - “Reach” schools (1 or 2)

• Review scholarship and financial aid requirements.

• Revise application essays and share drafts with a trusted teacher, adviser or family member.

• Ask for recommendations and set firm dates for their completion.

• Request transcripts and schedule interviews, if needed.
Develop a Financial Plan
Add It Up

+ Determine all **college costs** — not just tuition. This is called Cost of Attendance.
+ Calculate your college **savings** so far and see if you’re on track.
+ Estimate your family’s **expected contribution** — an EFC calculator is available at www.collegeboard.com/payforcollege.
+ Search for **scholarships** — [Norwich Tech guidance page](#)

Remember to explore every opportunity!
