

# EOB Family Engagement Compact

## District Student Learning Objectives

### Literacy:

Students can apply word knowledge and skills to identify the meaning of words in context.

Students can apply comprehension strategies and construct meaning from grade level complex texts.

### Mathematics:

Students can explain and apply mathematical concepts and carry out mathematical procedures with precision and fluency.

### Climate:

Create a welcoming environment where all cultures are respected and valued. To increase the number of families who are active participants in student learning. To focus on partnership activities that strengthen and support the district's school climate initiative, and to foster an environment that encourages outreach within the surrounding community.

## School Student Learning Objectives

### READING SLO:

Emmett O'Brien's 9th -12th grade students will demonstrate a 1% growth on the STAR Reading Assessment (SGP) baseline data given in Sept.-Oct of 2015 compared to the STAR Reading Assessment (SGP) given in May of 2016.

### MATH SLO:

Emmett O'Brien's 9<sup>th</sup> grade students will complete at least 40% of their ALEKS pie on Algebra 1 topics using the ALEKS Assessment by May, 2016 compared to the baseline ALEKS Assessment given in Oct. of 2015.

## In the School and Classroom:

The staff works to further enhance Literacy and Mathematical understanding for students by helping families to support their teen's development of learning strategies to improve skill development.

The focus will include:

Workshops for families that will:

- Teach strategies that may used at home to enhance and support learning in school.
- Enable families to access student assignments and grades on PowerSchool so they may be empowered to take personal responsibility for monitoring.
- Address the emerging needs of adolescents and their families in general.

### Career Planning

- Relationships with the community, which will be strengthened by participation in service learning projects conducted by students and their families.

### TRADE SLO:

55% of Emmett O'Brien's 11th grade students will earn a score of 73% in the Workforce Ready Employability Skills Assessment given in May of 2016 compared to the Workforce Ready Employability Skills Assessment given in October.

## In the Home:

The high school families developed ideas to support Literacy and Mathematical understanding in the home by:

- Monitoring student assignments and grades on Power School and Google Classroom.
- Participating in workshops that support the use of literacy and mathematical strategies, and understanding the mastery based learning program for math.
- Participating with their children to complete home literacy activities and goals related to the ALEKS math program.

## Students will:

- Demonstrate positive school behavior which will enhance school climate.
- Strive to achieve their personal best.
- Share information handed out by the school.
- Encourage their families to participate in the many activities that take place.
- Communicate with school support personnel members if any concerns are interfering with their student success or the success of others.

## Visit our New Parent Engagement Center

It was designed especially for you!

It is located on the first floor,  
next to Support Services

## Family and Community Roles in Education:

Families and community leaders play crucial roles in the success of our students.

The school encourages families and community members to partner with us in the education of our students.

Staff, parents and students jointly developed this compact to assist in understanding participant's roles.

A school Action Plan has been designed to plan activities that will enhance student achievement as outlined in the CTHSS Student Learning Objectives and our School Improvement Plan.

### Communication With Families

Emmett O'Brien Technical High School is committed to communicating regularly with families about their teen's learning.

Methods of communication include:

PowerSchool-grades, assignments and attendance

Condor Flyer ~ Weekly Newsletter

Telephone blasts

Parent Pointer calendars

Emails

Teacher Conferences and Workshops

Coffee with the Principal Meetings

## Family Activity Dates

Mark Your Calendar

### September:

9th Grade Parent Night

### October:

Open House

### November:

Report Card Night

### December:

Career Night—Freshman Class

Holiday Dinner

### January:

Financial Aid Night

### February:

Alumni Night

### March:

Parent to Trade Day

### April:

Career Fair

Cultural Carnival

### May:

Freshman Student Leadership Dinner

### June:

Senior Awards Night

### Throughout the Year:

**PFO Meeting~2<sup>nd</sup> Wednesday of Month**

Guest Speakers ~ Educational Workshops

PFO Meetings and Fundraising Events

And Much, Much More!!
