INTRODUCTION

The O'Brien Tech Athletic Department would like to extend an invitation to all students to participate in the many interscholastic athletic programs offered.

The material presented in this handbook contains information pertinent to policies, rules and regulations of the State Board of Education, the O'Brien Tech Athletic Department, the Connecticut Interscholastic Athletic Conference (CIAC) and the Constitution State Conference (CSC).

The O'Brien Athletic Department is concerned with the educational development of students and feels that a properly controlled, well-organized sports program will meet the students' need for self-expression, mental alertness, and physical growth. Athletes are selected for varsity, junior varsity and freshman teams based on their demonstrated abilities. The numerous programs are designed to accommodate as many students as possible. Unfortunately, deleting or "cutting" athletes from certain programs is necessary due to various constraints.

Students who choose to participate in athletics are making a choice that requires self-discipline. For this reason, we place a strong emphasis on good training habits. Failure to comply with the rules of training could affect an athlete's performance and contribution to the team. Students who do not adhere to these rules will be jeopardizing their participation in the program. They should be aware that involvement in athletics is a privilege, not a right.

Student athletes are role models for others and should constantly remember to set good examples for others.

Director of Athletics
To the Parents and Athletes of O'Brien Tech:

There is a new state law that dramatically changes the way student-athletes are signed up and approved to participate in high school athletics starting with the 2019-2020 school year (continuing in subsequent years) and along with their summer conditioning programs.

Here is the revised process. Please make sure to read all directions on all the forms. If you have any questions, please do not hesitate to call or email me at any time.

- Make sure an updated physical has been handed into the school nurse.
- Make sure to complete the sports permission form and return to your coaches.
- Obtain the CIAC Concussion Fact and Sign-Off Sheet. (from the website listed below or Mrs. Schryver) This form should be given to Mrs. Schryver.
- Obtain the CIAC Sudden Cardiac Arrest Fact and Sign-Off Sheet. (from the website listed below or Mrs. Schryver) Again, this form should be given to Mrs. Schryver.
- Take the CIAC required Concussion Course online and complete the quiz. This must include both the student’s and parent’s names. When you complete this course, your information will be forwarded to O’Brien Tech.

Here is the link to the concussion training and quiz – If the hyperlink does not work, please copy and paste it.

If you do not have Internet access, we can arrange time at our school.

This process is relatively new to the entire state and, as mentioned before, is a state law. We must be sure to follow it as written by the state legislature.

If you have any questions, please contact me with the information below.

Thanks

PHILOSOPHY

The O’Brien Tech Interscholastic program provides a variety of experiences to aid in the development of positive attitudes and habits in student-athletes that will assist them in their adult lives. The interscholastic program is conducted in accordance with existing Board of Education, CIAC policies, rules and regulations. While school districts take great pride in winning, O’Brien Tech does not condone a "win at all costs" attitude. Good sportsmanship and positive mental health are encouraged. A comprehensive and balanced athletic program is an integral part of the total educational experience of students.

DESCRIPTION OF OUR PROGRAM

Varsity Athletics are for the athletes that indicate the most skill of those that have tried out for the team. These athletes will have the opportunity to compete against equally-talented athletes from opposing schools.

The purpose of varsity athletics is to refine the skills of the team in an attempt to provide O’Brien with the best win-loss record possible.

The Junior Varsity and Freshman Athletic programs offer students, who do not yet possess the skills required of varsity athletes, an opportunity to participate in a competitive setting. Junior varsity and freshman athletes are in the process of gaining valuable knowledge, skills and experience required for competition at the varsity level.

ATHLETIC DEPARTMENT POLICIES

Participation

Athletes may participate in only one sport program in a sport season.
Athletes may not transfer team membership to another sport after they have been selected to a given sport.

**Attendance in School and Class:**

1. Student-Athletes will attend all classes regularly and on time. Tardiness and cutting classes will not be tolerated.

2. Student-Athletes will not use their sport as an excuse to miss class or portions of class unless the team is departing early from the school. In the event of an early dismissal for the team, all teachers will be notified by the athletic director or coach.

3. Per the O'Brien Tech Student handbook: Students must be present in school for the time equivalent to a legal school day to receive credit for attendance on that day and, therefore, be eligible for participation in an athletic event that day. Extenuating circumstances will be reviewed on a case by case basis by the athletic director and school administrators. Any violation of the aforementioned rules may lead to dismissal from the team for the duration of the season of indefinite suspension.

**Attendance for Practice and Games:**

Attendance at all practice sessions and games (including tournament and vacation periods) for all team members is mandatory. If, for some reason a student-athlete will be absent or tardy for a practice or game, they must personally speak to a member of the team's coaching staff prior to that practice or game. Athletes should be aware that contests may be scheduled or rescheduled for Saturdays and Sundays.

If a student misses games due to family vacations, they will be required to sit out an equal number of games that they missed due to this vacation.

Any violation of the aforementioned rules may lead to
dismissal from the team for the duration of the season or indefinite suspension from the team.
**Athletic Code and Conduct**

The community, school administration and coaching staff feel that high standards of conduct and citizenship are essential to a sound athletic program. With that in mind, the following rules are in place:

1. Athletes will conduct themselves as ladies or gentlemen at all times. They must remember that they are a representative of O'Brien Tech, their team, coaches, and family.

2. Athletes will conduct themselves in an exemplary manner in school, the community, and on any campus which their team is visiting.

3. Acts of unacceptable conduct, such as, but not limited to, theft, vandalism, or any violation of the law, will result in disciplinary action.

4. Detentions of any type and school suspensions will not be tolerated and will result in disciplinary action through the student-athlete’s sport.

5. Students who are suspended (In-School or Out of School) will not be permitted to attend or participate in any school sponsored activity on that day or evening.

Any violation of the aforementioned rules may lead to dismissal from the team for the duration of the season or indefinite suspension from the team.

**Use of Illegal Substances:**

There will be absolutely no use or possession of any tobacco (including smokeless) products, alcohol or illegal/non-prescription drugs, including STEROIDS, by any O'Brien Tech athlete. Any individual who is observed violating this rule (either on or off campus) by an administrator, teacher, or member of the coaching staff or staff member will be subject to disciplinary action.
Any athlete in violation of any section of this rule will be subject to a dismissal from the team for the duration of the season or indefinite suspension.

**Travel**

1. All athletes must travel to and from athletic contests in transportation provided by the athletic department.

2. Athletes will remain with their team and under the supervision of the coach during away contests.

3. Athletes who miss the bus will not be allowed to participate in any contest unless there are extenuating circumstances and with the coach's/athletic director/administration approval.

4. Parents will not transport athletes unless prior approval is granted by the coach/athletic director/principal.

5. Travel from away games provided by parents/guardians is possible provided the “Travel Release Document” is filled out and given to a member of the coaching prior to release. This form may be found on the last page of this document.

**Rules and Regulation for the Control of Interscholastic Sports**

The athletic program is an important and integral part of the total school program and is open to participation by all students enrolled at a Connecticut Technical High School. Athletics encourages individual and group excellence, dedication, and commitment in working toward team goals while also contributing to the participant's growth in physical fitness and skill. Athletics fosters mental alertness, emotional maturity and social interaction. While the high school athletic program serves as an arena for the student-athlete to display
his/her talents, student-athletes must in turn be willing to assume certain responsibilities.
