

THE CONDOR FLYER

Emmett O'Brien Technical High School

February 17-28, 2020

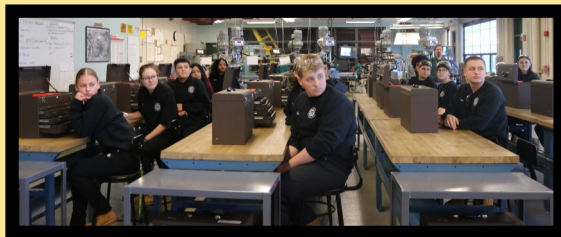

Precision Machine Technology in the News

On Thursday February 27th the Freshmen PMT Students received over \$17,000 in brand new precision measuring tools from a local Waterbury company, Forum Plastics. The President and HR Director of Forum Plastics, Superintendent Jeffery Wihbey, Channel 3 WFSB News and several local newspapers were on hand to share in this special surprise moment with the students. This very generous donation will help students as they embark on a challenging new career in their trade technology of Precision Machining. The entire PMT Freshmen class was completely surprised and overjoyed.

Thank you...

FORUM PLASTICS

Boston Children's Hospital

Students of the Month

Congratulations to our Students of the Month for December and January.

**Happy
Leap Day!**

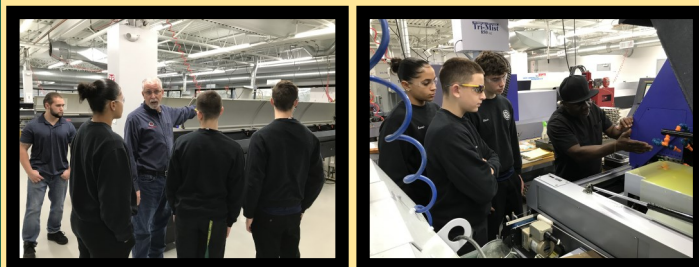

Energy Conservation Class

Emmett O'Brien's Sophomore Carpentry students took a in Energy conservation This program is called "The Green Step" and it shows the students job opportunities in the building trade in making homes more energy efficient.

Job Shadowing at Preferred Tool

Recently 3 PMT juniors spent the afternoon job shadowing at Preferred Tool in Shelton CT. All three students went through an extensive interview showcasing their skills and were all hired. They will all serve State Apprenticeships and will begin working in early March. Special thanks to Preferred Tool for supporting our students and congratulations to the students selected.

Barbicide Certification

The sophomore hairdressing class became Barbicide Certified. Barbicide is a disinfectant used to clean the tools such as hair brushes, combs, and counter top surfaces. Because this a chemical the students took an on line course which taught them the proper mixing and usage procedures. Once they completed the course they had to take and pass a multiple choice test in order to become certified. Each student was successful and earned their certificate. Congratulation to each one of them!

Winter Sports Pep Rally

The Winter Sports Pep Rally was held on Friday February 14th. Enjoy the collage of pictures from the event below.
