Toys for Kids—Making Magic Happen at EOB

Thanks to the generosity and support of the Emmett O'Brien Staff our school was able to raise \$500.00 for TEAMS Toys 4 Kids Campaign. The money we donate will be used to buy toys wholesale to be distributed to children and families right here in the Valley. Thanks to all of your generous donations we exceeded our goal by doubling our *Jingle Bell Sponsorship* status and we are now recognized as a *Sleigh Bells Sponsor*.

Special thanks to all of the trades and other school departments and individuals that donated amazing baskets and items for our event. Thanks to the Culinary Arts Department for providing the coffee and refreshments. Through our collective efforts we were a part of "Making the Magic Happen" right here in our own community.
