Work-Based Learning

EOB students have been busy! Currently, 42 grade 11 and 12 students are participating in Work-Based Learning. Students have the opportunity to apply their knowledge in the field in a variety of businesses including Accu-Temp HVAC Inc. , Consolidated Industries Inc., and many more!

Professional Development

Ms. Horbal provided a session on **Ed Puzzle**. This application allows teachers to create interactive video clips with questions for students.

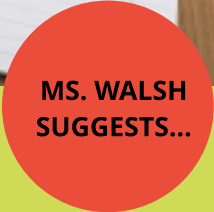

Ms. Giancaspro provided a session on **Go Guardian**. This application allows teachers to monitor student's internet use and provide support to students in a chat.

Ms. Moore provided a session on a variety of **Assistive Technology** tools to support our students.

Thank you for sharing your expertise!
