EMMETT O'BRIEN TECHNICAL HIGH SCHOOL

THE CONDOR FLYER

Teacher Appreciation Week

Teacher appreciation week kicked off on Monday. Sunshine provided a variety of goodies including coffee, cake-pops, and so much more. All staff were invited to a turkey dinner luncheon the previous week. Mailbox treats have been plentiful! On behalf of the EOB community, we thank each of you for your hard work and dedication for all of our learners! Thank you, thank you, thank you!

ECMC The College Place Virtual Visit

Mr. Daria, Holly Franquette from The College Place, and Bernie Shea from HCC hosted a virtual event for Junior students and their families. They learned about going to college, understanding why college is important, how to choose the right college, how to pay for college, how to search for scholarships, and how to avoid scholarship scams.

Virtual Presentation: Careers at ULTA

On Wednesday, April 28, Ulta Beauty presented to Emmett O'Brien Senior Hairdressing students. The presentation was a great invitation to consider working for the company. The Seniors viewed a demonstration about dimensional hair color application and were encouraged to seek employment with the company. Ulta is a leading employer in the Cosmetology field that offers employees advanced paid education with the potential to earn up to 70% commission once they have established their clientele.

Teachers

By: Beryl Edmonds

Teachers proudly stand in front of the class
With knowledge and influence en masse,
Igniting a flame in curious minds
Proficiently as the lessons unwind.

Teaching, a calling that burns deep inside
To instruct thirsty, inquisitive minds.
Installing passion that leads to success.
Inspiring pupils to give of their best.

Encouraging scholars' creative gifts,
Praising, applauding whatever it is.
Those who are taught well live well, get ahead.
Blessed are the teachers, it has to be said.

It doesn't go unnoticed, the work involved
Developing great people to evolve.
All humble, nurturing teachers out there,
Thank you all for your compassionate care.

Those who go on to find their hopes and dreams,
Remember the teachers who cast the beams.

May 6, 2021 is National
Nurses' Day

Thank You Nurse Monahan!
