EMMETT O'BRIEN TECHNICAL HIGH SCHOOL

THE CONDOR FLYER

Save A Life Tour

On Tuesday November 16th, Emmett O'Brien had the pleasure of hosting Save A Life Tour for our senior students. One member of the tour was able to come out along with EOB's Student Resource Officer, Trooper Jankowski to speak to students about the seriousness involving impaired and distracted driving. The tour brought two simulators to our school in which the students were able to gain a hands-on driving experience and actually see the effects of what could happen on the road while being impaired or distracted. Roger Lucero-Batista shared "It was an amazing learning experience. Don't text and drive!"

CTECS Board Meeting

On November 17th EOB proudly hosted the CTECS November Board meeting. Mrs. LeBouthillier welcomed Board Members. Senior students Alissa Hansen, Elisabeth Lundquist, and Anthony Russo shared their experiences and represented the student body at the meeting. Skills USA Vice President Allison Sandoval and Skills President Elisabeth Lundquist, escorted Board members upon their arrival.

Are You Ready For Some Football?

The football team will be playing for the Seven Mile Trophy on Thanksgiving Day against our friendly rival, Platt Tech. They will be playing at Lawman Stadium in Milford. Kick off is at 10:00 am. The cheerleaders will be there to cheer the boys on. **Come support our team!**

Soccer and Volleyball Finish Strong

Congratulations to both the girls volleyball team and the soccer team. Volleyball finished their season with an amazing 13-7 record and the soccer team finished with a strong record of 7-5-2. Both teams qualified for the league tournament and the state tournament. Way to go Condors!

2021 CTC Softball Champions

The Emmett O'Brien girls softball team proudly displaying their 2021 CTC Softball Championship banner and their championship tee shirts. The girls went 18-0 in regular season play clinching the Nutmeg Division Championship. The girls then went on to win the League Championship.

EOB Supports Local Food Pantries

EOB in collaboration with United Way assisted with collecting canned goods and non-perishable food items for local food banks. Over 256 items were collected so far!

ASE Testing

On November 9th and 10th, our Senior Automotive students began taking their ASE Certification test. ASE tests are used to evaluate student skills nearing the completion of an automotive technology course of study and other workplace readiness programs. Students demonstrated their knowledge on Maintenance and Light Repair, Suspension and Steering, Brakes, Engine Performance, Electrical and Electronic Systems, and Automobile Service Technology.
