- **December 23rd:** Half Day

WELCOME MRS. SEITLINGER!

Mrs. Stephanie Seitlinger is our newest Assistant Principal! She joins us from Oliver Wolcott Tech, where she worked as their Dean of Students and Interim AP for the past two years. Mrs. Seitlinger also previously worked at Kaynor for eight years as an English instructor.

*Welcome to Emmett O’Brien!*
Mr. Grady’s tenth grade students wrote poems and notes of gratitude in class, reflecting on their relationships with family, friends, and teachers.

Mrs. Dudley and her classes created 75 different "Thankful" keychains for students to find throughout the building!

Mrs. Adams and her students played Gratitude Tic-Tac-Toe, resulting in a Wall of Thanks.
**MORE NEW FACES!**

We have also welcomed new secretarial staff to EOB, including guidance secretary Maria Labrador and administrative assistant Josh Lindwall. Welcome!

---

**AUTO GETS CERTIFIED**

Auto seniors (class of 2023) have successfully earned ASE certifications. Congratulations seniors!

---

**ELECTRICAL GOES GREEN**

Tenth and eleventh grade electrical students welcomed in an outside speaker for a Green Step workshop presentation.
DANGERS OF VAPING

Lorrie McFarland, Prevention Coordinator at Alliance for Prevention and Wellness, gave an enlightening presentation about the dangers of vaping and drug trends to our ninth grade students on 10/28 and 11/28. This is the third year Alliance has presented to EOB students. Visit apw-ct.org to learn more about the other services APW delivers to Southern Connecticut.

NATIONAL HONOR SOCIETY UPDATES

With the proceeds from EOB Goes Pink, the National Honor Society was able to give a check for $1,500 to the Hewitt Center for Breast Wellness at Griffin Hospital. Thank you to everyone that supported this great cause!

The Toy Drive will be taking place from now until December 15th. Please bring in a new unwrapped toy. There is a shop competition, so make sure you hand your toys in at your shop, so your points will be counted. If you are in academics, you can bring the toys to Mr. Behun in room 201.

There will be a clothing drive coming up at the end of December, so start going through your closets and consider donating.
