SKILLSUSA REGIONALS

On Wednesday, February 8th, SkillsUSA participated in the leadership conference regionals in Middletown CT. Junior Lindsey Brown and Noelle Corwell competed in Job Demo A. Junior Mariah Roque and Sophomore Noel Ortiz competed in Job Interview. Sophomore Hayley Rosario competed in T Shirt Design. They all did a great job representing Emmett O'Brien. They are all looking forward to their results and moving forward to the State Competition that will be held on March 31st.

EOB CARES SPOTLIGHT

THINKING OF YOU

Over the past 10 weeks, Ms. Perkins and four students have worked together to process grief and loss. As part of their journey, the students made the board to honor what was and to celebrate what they get to keep of their loved one.

THANK YOU!

Ms. Kuang's math students wanted to show the guidance department their appreciation with cards they personally colored and signed. It was a relaxing activity for the students, and everyone participated to enjoy moments of appreciation towards the guidance department staff.

PUPPY LOVE

Ms. G kicked off a share-out of pure puppy love, asking staff to share photos of their pets! There were so many dogs - some even look like they could be related!

This is my baby Zoey. Don't let her cuteness fool you!

She is extremely smart and likes to use her powers for evil.

She most definitely runs my house!

Ms. Rodorigo

Creative way to stay dry.

Mrs. Lebouthillier

No shaming pics...but here you go. This is Charlie-

Mr. Shopiro

Riley Dog is my best buddy and he makes us laugh all the time - especially when he give us the patented Logotto side-eye!

Mr. & Mrs. Mullis

Here is Duke!

He has taught us that there is LOVE after LOSS and don't leave your slippers out!

Mrs. Benjamin

Elvera on the left Jax on the right, waiting for some snow. Mr. Florczak

Selena is the one standing alone. The white donkey is her brother, Louie. The donkey next to Louie is Darla, and she is Selinas and Louie's aunt.

The cat is Azura, and she was our Christmas ornament 🐾.

We did not decorate our Christmas tree because of her. Mr. DeLaCruz

CO-ATHLETES OF THE WEEK

Congratulations to the following girl's basketball players who had two amazing games last week! Tessa Davis and Navoni Harris combined for two big games against both Derby and Goodwin Tech to help the Lady Condors pick up two more wins.

Tessa Davis had 10 points, 10 rebounds and an amazing 10 block shots against Derby and 17 points, 12 rebounds against Goodwin Tech.

Navoni Harris had a team leading season high 21 points against Derby and another high scoring game with 16 points against Goodwin Tech.

Congratulations to both players who have helped the Lady Condors tremendously this season secure a state tournament bid and so far a successful regular season at 11-5.

LADY CONDORS HONOR SENIORS

The Emmett O'Brien girl's basketball team will be honoring 3 very special seniors during their upcoming senior night: Tessa Davis, Gianni Gomez and Francesca Yancoskie. Senior Night will take place at Platt Tech and we will be playing Wolcott Tech. The game is on Wednesday, February 15th at 6pm. Please come out and support our seniors on this very special night!

NATIONAL HONOR SOCIETY UPDATES

WELCOME NEW MEMBERS

The National Honor Society inducted 22 new members of the Class of 2024 on Wednesday night. The ceremony took place in the gymnasium followed by a reception in the cafeteria. Special thanks to vice president Briley Peters and service project coordinator Emily Silva for planning the ceremony, setting up and breaking down. Great job by president Kyle Monteiro administering the official NHS pledge to the new inductees. Thank you to Mrs. Lebouthillier and Raina Kemper for helping us serve food catered by Vazzy's to over 100 guests. A few more mentions of gratitude are in order: Mr. Howley, Mr. Wielk and the Carpentry shop for sprucing up the candelabra that is vital to the ceremony; Mr. Moran for printing the certificates and helping set up the cafeteria; and Chef Valle and the Culinary department for allowing us to use their kitchen.

RISE CERTIFICATION

The sophomore hairdressing students became certified in Human Trafficking through the Milady RISE certification program. Here they are proudly displaying their certificates! Great work!

AWESOME SCIENCE LAB

Ms. G's Freshman Science students had an awesome time in the electrical shop conducting experiments on electricity-

A great big thank you to Mr. Nadeau for leading the class and a shout out to the SOPHOMORE electrical students for helping the freshman build circuit boards!!!

INTRO TO PHYSICALS

Health Tech seniors tried to guess the name of instruments used in medical examinations and the exact use of each instrument as an introduction to physical examinations.
