HOUSE WIRING BY EOB SOPHOMORES

The Sophomore Electrical students recently wired a house in Prospect!

FRESHMEN VISIT POWER PLANT

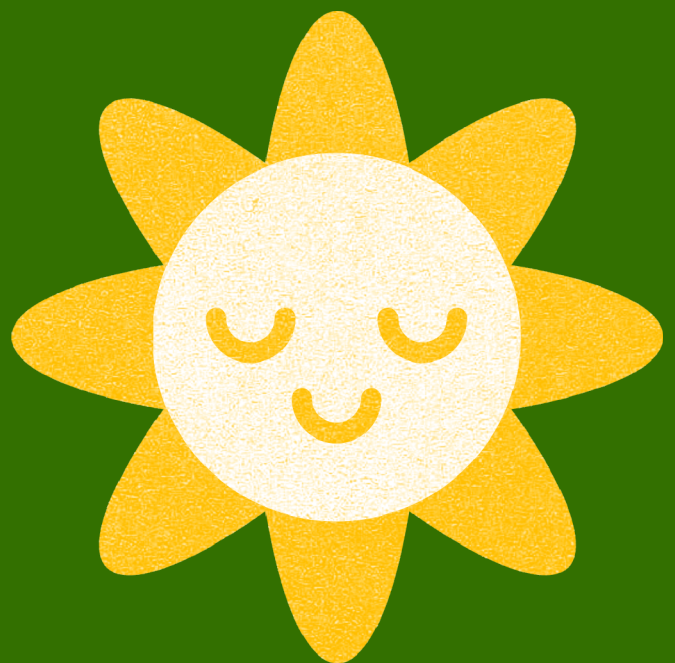

The Freshmen Electrical students went on a field trip to the Covanta Power Plant in Bristol. There, students learned how the plant uses residential trash as their fuel source to generate electricity.

EOB CALMING ROOMS NOW OPEN

Calming rooms for both students and staff have opened!

The staff calming room is located in the main office and the student calming room is in the library. Be sure to make use of these new spaces!

SENIORS LEARN INTERIOR WALLS

On April 28th, the Senior Carpentry class went to the North Atlantic States Carpenters Training Fund Center in Yalesville, CT to receive training on Interior walls systems through Carpentry Union Instructors for the day.

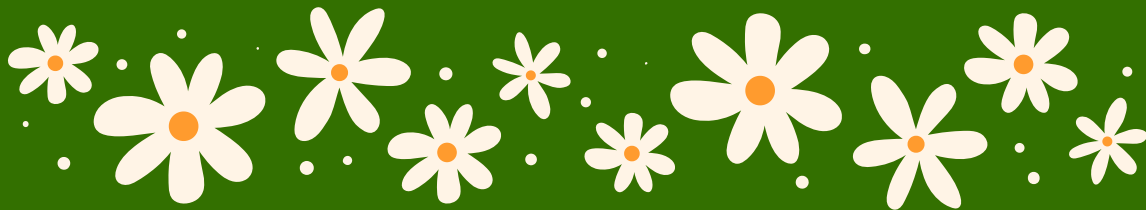

CT BASEMENT VISIT

On April 20th, Junior Carpentry Students went to an open house held by CT Basement Systems. There, students learned about services the company provides for its customers and what type of skills are needed to perform services as an employee with the company.

VOTER REGISTRATION

Voter Registration will take place in the cafeteria during the first senior lunch wave for any students that will be 18 by November 7th! Encourage any eligible student to sign up!

STAR WARS DAY!

May 4th is officially Star Wars Day, with the 5th an unofficial second day of celebration!

Revenge of the Jedi celebrates its 40th anniversary later this month on May 25th. The film's gross earnings from the original 1983 release was over \$252 million domestically!

May the Force be with you!

SKILLSUSA TALENT SHOW

SkillsUSA sponsored a talent show 6th period on May 3rd. Great job by all of our EOB talents!
