- May 26: Field Day

OUTDOOR CLASSROOM COMING SOON!

Thank you to Carpentry for assembling tables and benches for our (forthcoming) outdoor classroom! More information about the outdoor classroom will be coming soon, but the Carpentry seniors put the furniture together expertly and efficiently.

MCNEIL EARNS ALL STATE BANNER

Mekhi McNeil received his All State banner! He becomes the 10th boys basketball player in school history to be awarded this prestigious honor.

Mekhi is planning on attending Notre Dame Prep in West Haven next season. They send over 90% of their players on to play at the college level, so his career is just getting started!

CAREER POINTS EARN DAVIS 7TH SPOT

Congratulations to our girl's basketball player Tessa Davis. Tessa scored 785 career points and is now on the top ten point scoring list. Tessa is the 7th highest point scorer in the history of girl's basketball. A big congratulations to Tessa Davis!

ATHLETE OF THE WEEK

Ava Sharkey, junior, #9 Captain is our athlete of the week! Ava plays third base for the Lady Condors softball team. This week Ava got her 100th hit of her career, an amazing softball milestone. She picked up her 100th career hit against Wright Tech with a standout performance. Ava had 3 hits, 2 doubles and 4 RBIs. Later in the week, Ava had a great game against Ansonia. The Lady Condors defeated Ansonia 14-5 and Ava had a standout performance. She had 2 doubles and 4 RBIs to help O'Brien secure the win. Ava is also perfect at her position. She has not made an error the entire season. Ava is currently batting 530 with 10 doubles, 1 triple and 3 homeruns. The Lady Condors are the 2023 Nutmeg Division Champions and are currently 16-3. Ava Sharkey is a big reason for the team's success. Congratulations Ava!

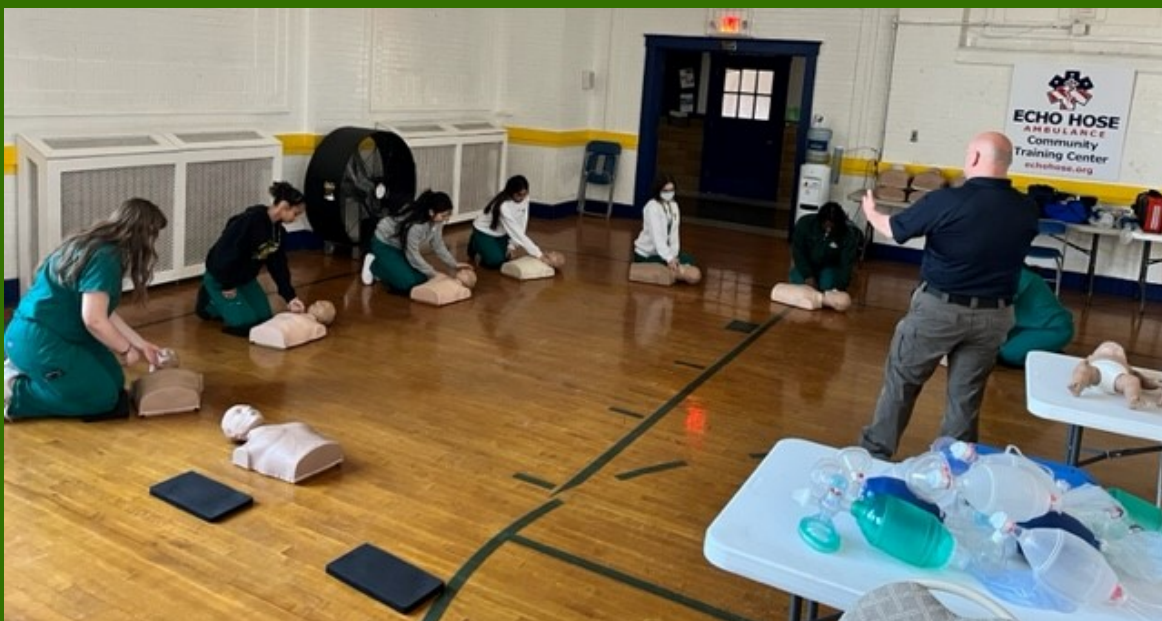

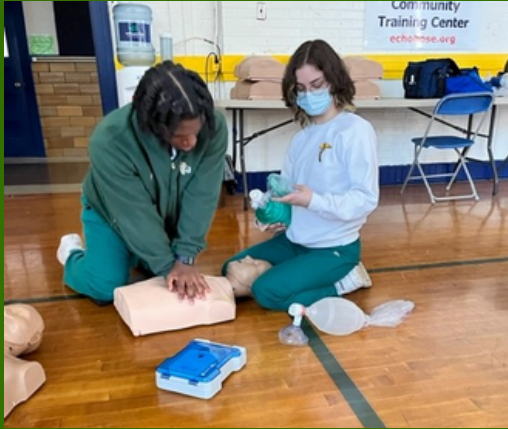

SOLIDWORKS CERTIFIED

Congratulations to MDET Junior Kacper Podsiadlo for obtaining his CSWA (Certified SolidWorks Associate) certification! Great job!

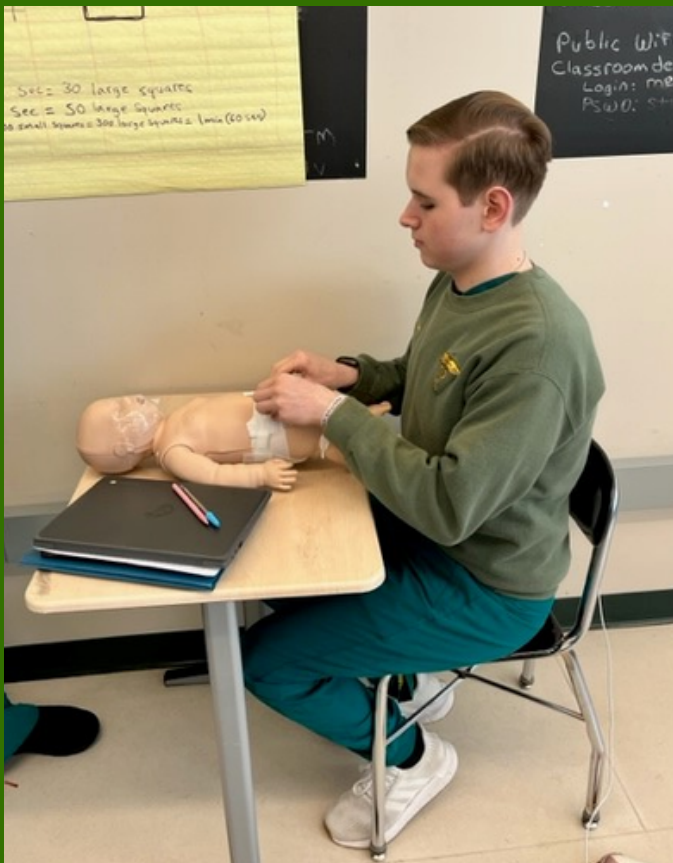

SENIOR PASS BLS CERTIFICATION

Congratulations to Lauren Feinberg, Gianni Gomez, Allison Irizarry, Raina Kemper, Jesyca Maria, Mariecruz Morales, Alana Sanzari and Jahmir Tucker for passing their BLS CPR certification at Echo Hose on 5/18/23. This is the CPR certification required by healthcare providers to work in facilities. Mrs. Bolton and Mrs. Nutter are very proud of them. Congratulations! Job well done.

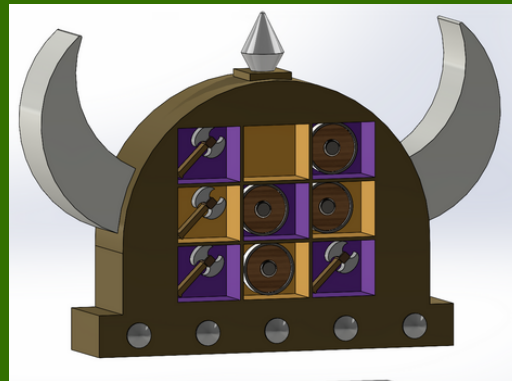

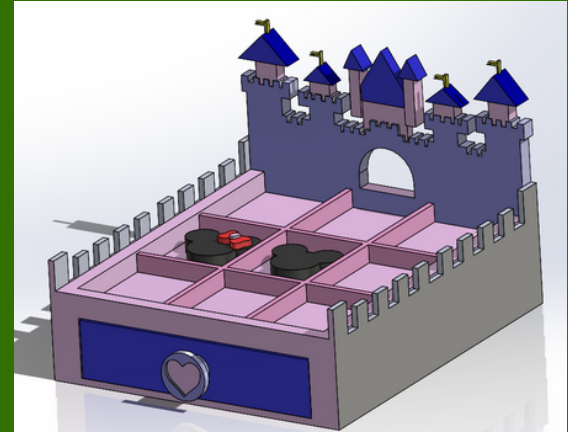

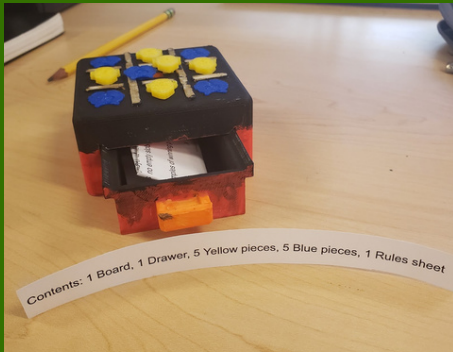

BABYSITTING READY

Health Tech sophomores recently took a babysitting class where they learned to feed, burp, and diaper babies!

GAME CREATION

The MDET junior class applied project based learning to create a Tic-Tac-Toe game. Each student applied the Engineering Design Process and made an entire packaged game that would be prepared to sell. They had to apply the safety factors of their targeted demographics which is why the warning label is on some of the packaging.
