JUNE IS PRIDE MONTH

June is Lesbian, Gay, Bisexual, Transgender and Queer (LGBTQ) Pride Month. Pride Month was declared as official by former President Bill Clinton in 1999, thirty years after the Stonewall Uprising in Manhattan. The first Pride March took place in NYC in 1970, and has grown to feature over two million attendees and participants. Pride Month is a time to celebrate and commemorate the lives, accomplishments, and history of the members of the LGBTQ+ community
