PMT Juniors learned about the proper protocols for the Haas Machining Center on their first day of shop.

EXECUTIVE FUNCTIONING HELP

Be sure to have students visit the Guidance Suite for help with executive functioning! Mrs. Troiano has put together a great collection of digital and print resources!

WELCOME BACK SUPERHEROES!

This year's theme is that teachers are superheroes! Welcome back activities included creating a superhero name, posing with cutouts made by Ms. Dudley, and looking at word effects made by students!

Here's to another great year at EOB!
