DR. LOWE VISITS EOB!

Interim Superintendent Dr. Lowe visited Emmett O'Brien last Friday! He was given a tour by Cameron Riggs, Cloe Tomasella, Sam Jones, Mia Santacapita, and Skarleth Conde.

Dr. Lowe stopped by classrooms and shops to speak with faculty and students. Check out some of the photos from his visit!

ALZHEIMER'S FLOWER

Students from several shops built a giant purple flower for the Alzheimer's Association to display at their Walks this fall.

The project was coordinated by an Alzheimer's volunteer and Sikorsky, and funded by local union 1150. The hard work came from the students in Carpentry, PMT and MDET, who took great care to make giant petals, a stem, a flower box and a mechanism to allow the flower to turn. Senior Joe Kohut lost his grandfather to Alzheimer's. You can find the flower at their next walk this Saturday in New London!

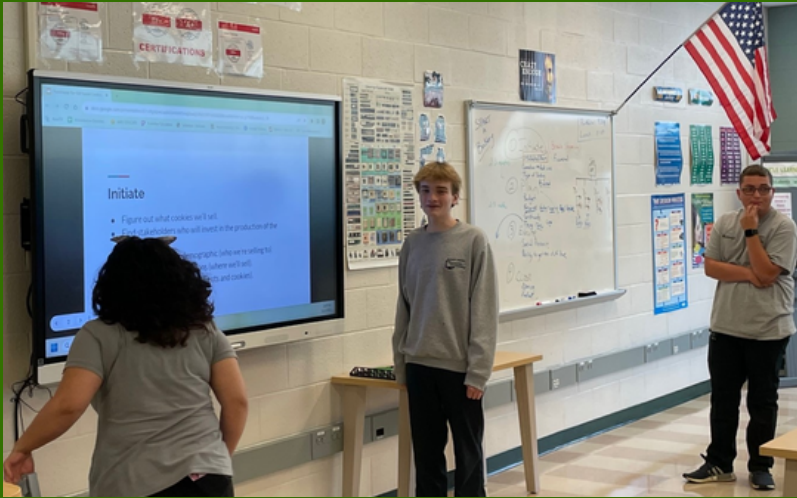

ATHLETE OF THE WEEK

Sophomore goalkeeper Evan Beland is our athlete of the week! Evan has shown some outstanding skills in his performance during the first few games of the season. The soccer team won their most recent game against Eli Whitney with a score of 3-2. Evan had a major role in controlling the game from the goal. Here's to a great season!

PROJECT MANAGEMENT

IST seniors are currently learning skills for project management. They have been working in groups, planning out projects in preparation for what they may see in the field.

HOMECOMING

The Class of 2024 will be hosting homecoming for all EOB students! The dance will be from 6-9:30 pm in the Cafeteria on November 9th. Chaperones will be needed - save the date!
