DON'T FORGET THE RULES

FROM THE FIELD...

SOCCER WINS BIG!

In sports action this week the Emmett O'Brien soccer team had a big win against Whitney Tech. Jason Burns had 2 goals and Olivia Scarletta, Jefferson Padilla and Elijah Herald each scored a goal for the Condors. Michelina Sardo had 2 assists and Fernando Gomez chipped in with an assist.

VOLLEYBALL KILLS IT

The Volleyball team picked up a big win against Bullard Havens going five matches and winning the 5th match by 2 points. Marley Orosz had the game winning ace and had 10 kills and Gianna Rivera chipped in with 7 kills. Emily Frey had stellar defensive game and set up the O'Brien spikers through all 5 games.

The football team has a big game next Saturday, October 21st, against Cheney Tech at our athletic complex. Come out and support our football team and watch our cheerleaders as they are ready to perform for the team and their fans! Game time, 10:30am.

EOB GOES PINK SIGN-UP IS LIVE

Another component of the annual NHS breast cancer fundraiser is our volleyball tournament. On Friday, October 20th, they will be holding a kickball tournament and a relay race (2 separate events) at the athletic complex. Students participating in either event will head to the track at approximately 8:30. Only students participating in the events may come to the athletic complex. No spectators will be allowed. Participants may dress down on the day of the event.

Students may choose to participate in one or both of these events. Registration must be paid to Mr. Behun in room 320B during homeroom or 5th period by October 18th. Students of all skill levels are encouraged to participate.

HEADS WILL ROLL...

Sleepy Hollow, New York is the home of the infamous Headless Horseman! Washington Irving wrote the story in 1820 and it has since become a key part of American folklore. The village has embraced the tale and celebrates every Halloween with riders around town!

But *The Legend of Sleepy Hollow's* Headless Horseman is not the only rider without his head! Irish folklore features the Dullahan, a headless rider on an equally headless horse. This being - which can appear as a man or a woman - is an omen of death and suffering, serving as a warning of the pain to come. Try not to stay out too late! The Dullahan won't kill you, but it will scare you...
