- Oct. 27th: PFO Bingo

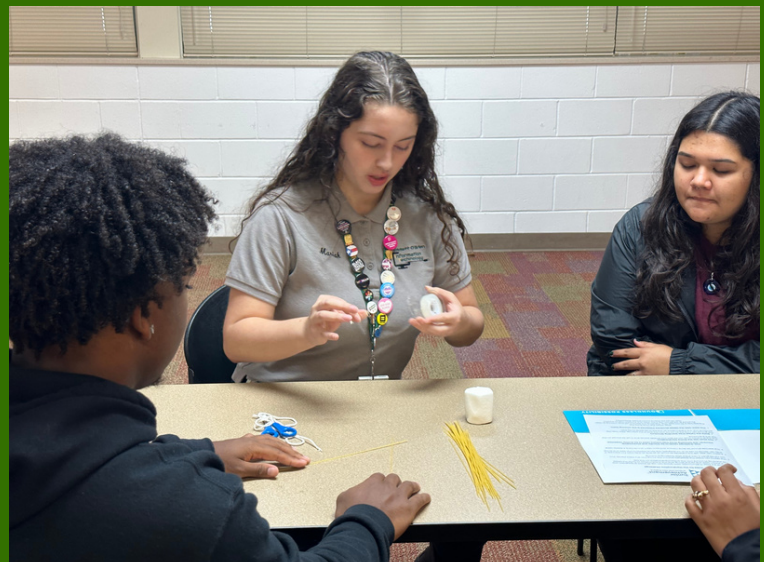

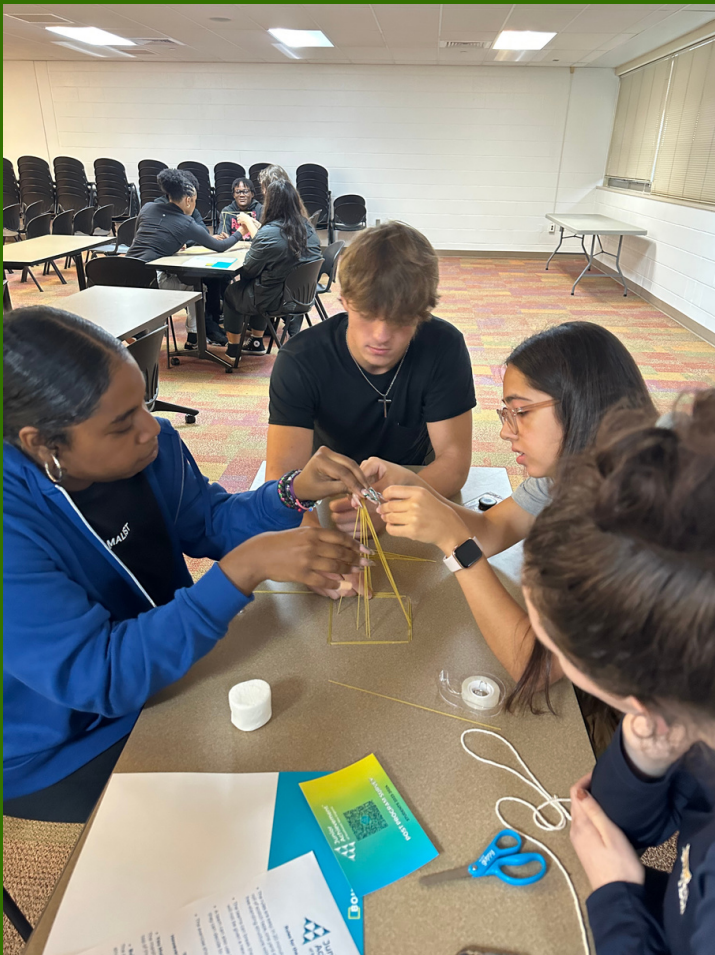

## EOB SENIOR ELECTED STATE STUDENT CONGRESS PRESIDENT

Emmett O'Brien is proud to announce that our senior, Mariah Roque, was nominated and elected by her peers to be this year's State Student Congress President!

## CTTECH STUDENT CONGRESS MEETING

On Monday, September 25th Emmett O'Brien's Student Council attended the first State Student Congress meeting hosted at E.C. Goodwin. This is an organization that is made up of all Student Councils from Connecticut Technical High Schools. This year we worked with Junior Achievement to work on leadership skills and build relationships between students from different schools. Emmett O'Brien was proudly represented by seniors Mariah Roque, Dylan Greenlaw, and Christopher Romero. They were leaders amongst their individual groups while working on a team building project. At the meeting the students nominated and elected the 2023-2024 State Student Congress officers.

## BOO TO YOU!

The Climate Team had their first meeting of the year! The committee will be working on Boo Grams during the month of October.

More information to come!

Interested in joining the Climate Team? Please see Mrs. Seitlinger to join!

## HISTORY OF GRAFFITI

In art class, students learned the history of graffiti, different styles, and what makes it legal/illegal. They were able to create a 'piece' that includes their name or nickname and a background.

## FUTURE STUDENT RECRUITMENT

The recruitment committee met yesterday, September 28th, to discuss the recruitment calendar of events. Open House is October 26th!

Members left with lawn signs and Open House brochures. Please feel free to pick up any additional flyers from Mrs. Carvalho to post around the Valley, or share one on social media!
