STUDENT COUNCIL PUMPKIN DESIGN CONTEST

Congratulations to all of the painters of all four classes for doing a great job painting their pumpkins this year! They were excellent! The winners are as follows:

4th Place – Sophomores with the Spider Web design

3rd Place – Juniors with their Nightmare Before Christmas design

2nd Place- Freshmen with their Alice In Wonderland design

1st Place – Seniors with their skull design

EOB ATTENDS SKILLS LEADERSHIP CONFERENCE

Members of Emmett O'Brien's SkillsUSA attended the Fall Leadership Conference on October 27th. The conference was kicked off by Dr. Justin Lowe with a moving and motivating speech to the students and staff in attendance. His support for the SkillsUSA Organization and its tie in with the CTECS mission and vision of a graduate was evident. Each of the 10 students earned their leadership pin upon completion of various workshops and testing of knowledge in SkillsUSA facts, procedures, and this year's theme. Junior Hayley Rosario ran for a State officer position but was unable to get enough votes. There were 25 candidates running for 7 positions this year with a record turnout of attendees.

Students in picture below with Co-Advisor Mrs. Marra are: Sherlyn Barahona, Samantha Caron, Juliana Garcia, Alanisse Mauricio-Rodriguez, Aeowyn Messere, Donte Palacios, Jenna Re, Abigail Rogucki, Hayley Rosario, and Analise Rosen.

HALLOWEEN SOCIAL A SUCCESS!

The Student Council sponsored their annual Halloween social and dress up day on Halloween. The students in academics who had paid their student activity fee were able to dress up in school appropriate dress for the day. Students were dressed up as things like Catwoman, Porky Pig, Spiderman, Macho Man Randy Savage, clowns, and Pitbull just to name a few.

At the Halloween social Mrs. Kinard and her officers - Megan Koslowski, Shyzeria Tedder, Christopher Romero, and Dylan Greenlaw - worked tirelessly to put together an entertaining social. Students were able to color and paint pumpkins, do face painting, gimp bracelets, and scratch art. There were games like bean bag toss, tic tac toe, connect 4, and Uno. Students competed in guess how much candy, donut eating and costume competitions.

The winner of the costume competition was Bruno Lombardo with his Macho Man Randy Savage costume. Students were filled up with lots of snacks and goodies. There was also DJ Shy which provided lots of music to dance to. Students had a blast dancing to Michael Jackson "Thriller", Cha Cha Slide, Cotton Eye Joe, Cupid Shuffle, and the Wobble. From students to teachers fun was had by all!

HALLOWEEN AT EOB

SECURITY AND SAFETY COMMITTEE

The first Safety School Security and Safety Committee and Safe School Climate Committee meeting was held on October 30th to review the School Security and Safety Plan

NUTRITION ADVISORY COMMITTEE

The fall Nutrition Advisory Committee Meeting was held on October 30th. The purpose of the committee, made of staff and students, is to discuss and provide suggestions to the food lunch program.

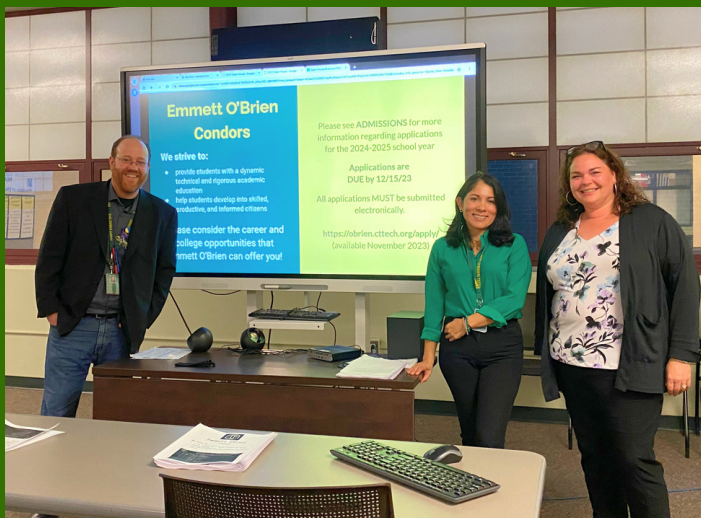

SLO REMINDER

SLOs should include at least one of the Marzano School Wide strategies as part of your rationale/strategies.

Please remember to keep working on them and to meet with your administrator soon.

OPEN HOUSE A HUGE SUCCESS

We had almost 300 families attend our 8th grade open house last week on October 26th. Just about as much as last year which is wonderful! Thank you to everyone for your hard work on making the event such a success for the future of our school. Check out the great photos captured during the event!

The EOB Condor made an appearance at Open House! Did you get a picture with them?
