COMFY CONDORS

Pajama Day was a huge success! Thank you for supporting the CT Children's Medical Center. Emmett O'Brien will be sending \$400 to this worthy organization!

OH PMT TREE!

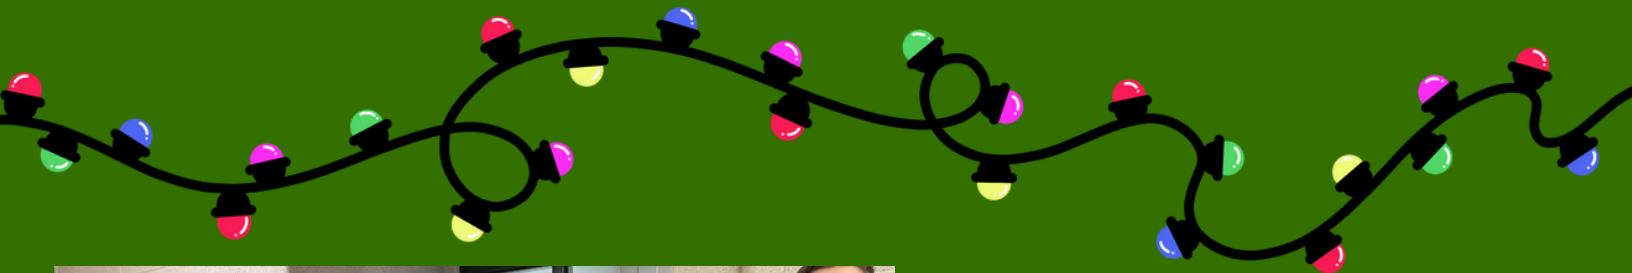

In celebration of the holiday season, PMT Seniors made custom ornaments and decorated a tree with the new freshmen students. A great way to connect as freshmen experience their first shop cycle in their selected shops!

COMPLI-MITTENS

Ms. Salmeri and students in Hairdressing created some compli-mittens as part of a December CARES challenge!

PERSONAL SNOW GLOBES

Freshman IT shop students completed a December CARES project to design snow globes that represent their feelings. They finished their projects by creating holiday cookies and holiday lights with Adobe Photoshop.

DECK THE HALLS

The Student Council shop door decorating competition has begun! Have been finished by the end of the day today, December 15th. Judging will take place December 18th-20th. Good luck to all shops!

TOY DRIVE A SUCCESS!

The National Honor Society recently completed our 2023 Toy Drive in conjunction with Team, Inc's Toys 4 Kids program. Emmett O'Brien's students and faculty donated just under \$1,000 worth of toys to help local families in need! The group that contributed the most toys was 12th grade HVAC.

Team, Inc. is very appreciative of the efforts of our school community!
