UPCOMING EVENTS

- Dec. 22nd: Half Day
- Jan. 2nd: Return from Winter Break
- Jan. 3rd: Club Day

CLASS WARS A HUGE SUCCESS! CONGRATULATIONS SENIORS!

Student Council did a great job sponsoring their annual Class Wars event. It was the most attended event that Student Council has ever sponsored. All four classes competed against each other for Spirit points for the end of the year reward. They did an amazing job putting their best foot forward. The class advisors had been working tirelessly to get all of their students involved. Students had an opportunity to purchase a Class Wars t-shirt to add to the class spirit. The students competed in things from an obstacle course, knockout, connect four basketball, and culminated with a tug of war battle.

Congratulations to the Class of 2024 Seniors for winning! They are back-to-back champions after winning as Juniors last year!

CONDOR MAGIC RETURNS TO THE NORTH POLE...

Mr. Behun submitted a letter from our mascot...

Now that the winter break is here, I must return to the North Pole to give my report to the big guy. Most of you have made your way onto the Nice list, but I am sorry to say that a few of you have coal in your future 😞

Thank you for letting me fly around your school this month. I have had so much fun learning about different careers! Congratulations to the students that found me the most times and put my picture on Instagram (even though I prefer Twitter, since us birds like to tweet): Danielle Johnson and Aeowyn Messere will receive two dress down days. #condorontheshelf

P.S. I need a name! Please fill out the Google Form to help name me!

DECK THE HALLS!

The shop door decorating contest brought out some amazing creativity this year! Each trade did such an amazing job!

This year's competition was really close - thank you to all of the faculty and staff who voted!

The top three doors are as follows...

1st: Electrical

2nd: Carpentry

3rd: Health Tech

Great work everyone!

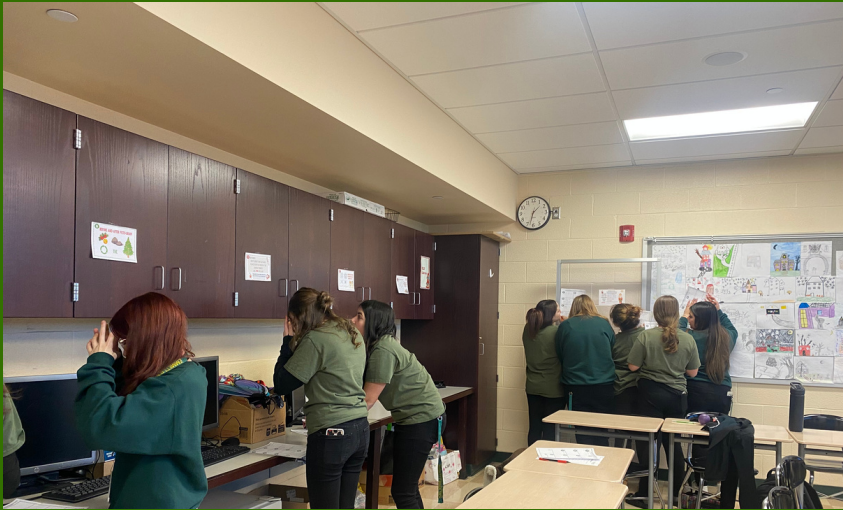

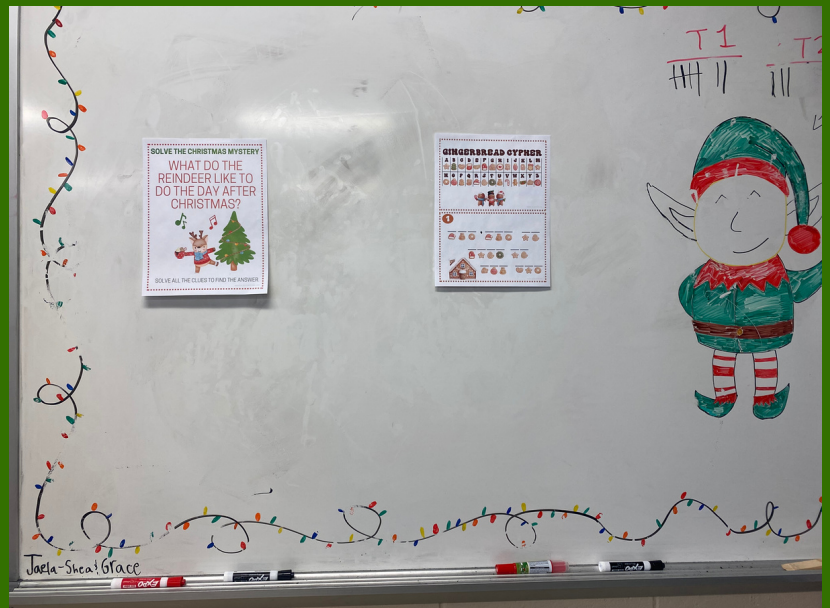

PMT PREPARES FOR CLASS WARS

PMT showed their class spirit right before class wars! Check out all of the great class t-shirts!

LIT LAB ESCAPES!

Mrs. Ford's Literacy Lab recently worked on a very competitive escape room activity!
