MORNING MINDFULNESS

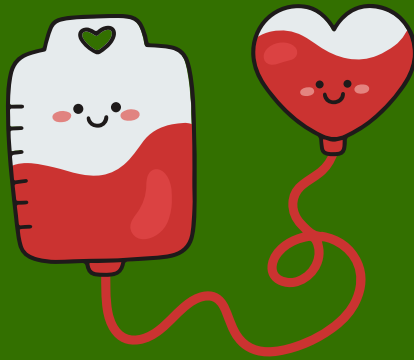

Each morning, Mrs. Ogren, our SAIL instructor, greets the students as they walk upstairs to the academic wing. Mrs. Ogren uses growth mindset quotes in hopes to have a positive impact on the students as they are about to begin their day. When students change their attitudes, change the words that they say to themselves and others, and change the way they look at life, they begin to change their outcome.

DECEMBER BLOOD DRIVE

The National Honor Society held a very successful blood drive on Thursday, Dec. 7. Over 50 people volunteered to donate their blood and 31 successful pints were collected (enough to save 93 lives)!

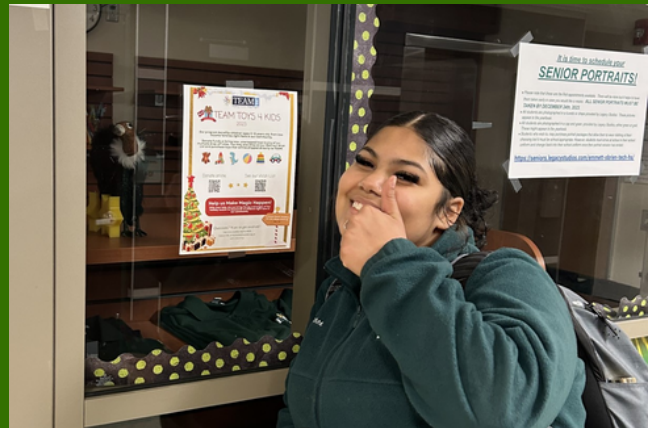

The Red Cross was so impressed that they will be sending more employees and making more available appointment slots for the spring drive!

HAVE YOU SEEN THIS BIRD?

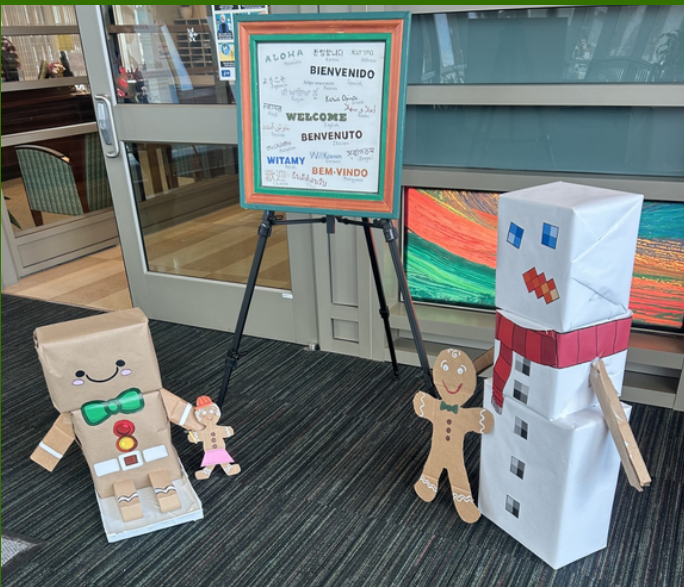

If you see the condor hiding around the building, take a picture and post it on Instagram with #condoronashelf in your caption! Students who post to the hashtag have an opportunity to win two dress-down days!

Remember.... **don't touch the condor or it will lose its magic!!**
