## **EOB ATTENDS SKILLSUSA REGIONALS**

Mrs. Marra and twenty students represented Emmett O'Brien at the SkillsUSA Regionals on Monday, February 10th, in a variety of competitions. Last week was also celebrated as SkillsUSA week!

## NATIONAL SCHOOL COUNSELING WEEK 2025

National School Counseling Week celebrates and recognizes the important role school counselors play in helping students achieve academic success, personal growth, and overall well-being. The counselors at EOB provide valuable support such as academic guidance, emotional support, career planning, and social development. ECMC Scholars shared their feelings about their counselors – see below. Thank you, EOB counselors!

## NATIONAL SCHOOL COUNSELING WEEK 2025

ECMC Scholars were asked to reflect on what they value most about our Counseling Team. Here's what they had to say :)

"They are always there when you need them."

"I am thankful for my counselors at EOB because they are great at listening and giving sound advice. I know that I can go to my counselors regarding any problems I experience, as well as insight regarding my future."

"I'm thankful for the counselors at EOB because they are a huge support. Knowing I can go to them whenever I need and for whatever I want is really comforting and relieving."

"I'm thankful for the counselors at EOB because they are a huge support. Knowing I can go to them whenever I need and for whatever I want is really comforting and relieving."

"I am thankful for the counselors at my school because they are helpful, resourceful, and are kind to all students"

"My counselor is the most helpful and supportive person I've ever met and I am truly grateful to have them at my school."

"Whenever I'm having a problem I know I can go to her as I always feel heard and reassured when I talked to her."

"...she listens and give me advice on anything that I need advice on. And let's me talk about whatever I need to."
