UPCOMING EVENTS

- Sept. 19th: Craft Fair
- Sept. 23rd: Professional Development, Full Day

ECE STUDENTS SET SAIL

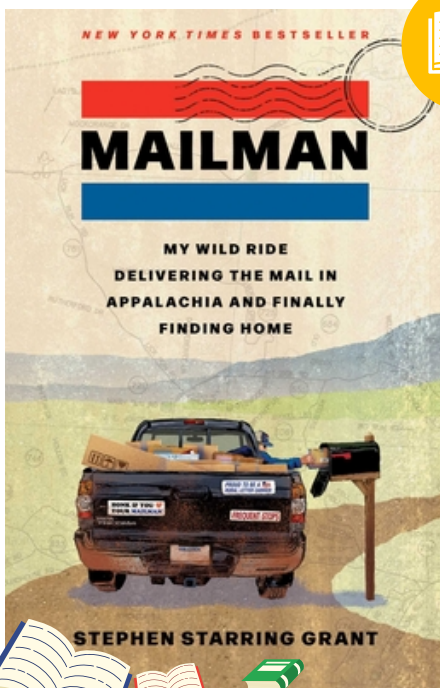

After all the designing, building, problem-solving, and a LOT of cardboard and duct tape... The Going Merry is ready for her maiden voyage! Our ECE Physics students - and Captain Jalbert - are heading to UConn Avery Point in Groton today to put their creation to the ultimate test at the UConn Early College Experience Cardboard Boat Race!

The United Way recently donated backpacks that will be used throughout the school year for promoting attendance initiatives and supporting students in need.
